## The magic bank account *By Mark Charnet*

the billfold from which this was found, but, thought it would give my readers an opportunity to reflect on an awesome message and amazing opportunity. I hope you agree.

Imagine that you had won the following \*PRIZE\* in a contest: Each morning your bank would deposit \$86,400 in your private account for your use. However, this prize has rules:

**The set of rules:**

1. Everything that you didn't

spend during each day would be taken away from you.

2. You may not simply transfer money into some other account.

3. You may only spend it.

4. Each morning upon awakening, the bank opens your account with another \$86,400 for that day.

5. The bank can end the game without warning; at any time it can say, "Game Over!" It can close the account and you will not

*continued on page 8*

The following was sent to me by a client, now living in Italy. Though many have heard of this story before, it is worth repeating and publishing today. I take no credit for the accuracy or comment about
